The Process

The Process — Step by Step. I've designed this process to be as simple and supportive as possible, allowing you to choose how much or how little you want to be involved.

1. FILL OUT THE ENQUIRY FORM

Start by completing the funeral flower enquiry form on my website. This gives me the key details I need, including the date, location, and any early thoughts you may have about the flowers.

2. CHOOSE HOW YOU'D LIKE TO CHAT

Once I receive your form, I'll get in touch and offer you a choice of how we connect:

- A phone call
- An online consultation
- Or communication via email

I understand that everyone grieves differently, and some may want to talk things through, while others may prefer a quieter, more private approach. There's no right or wrong — I'll work in whatever way feels best for you.

3. RECEIVE YOUR QUOTE & MAKE PAYMENT

After our conversation, I'll send you a simple quote based on what we've discussed, along with an online payment link. Once payment is received, your booking is confirmed and your date is secured in my diary.

4. FLOWER PREPARATION & DELIVERY

I'll prepare your arrangements with the utmost care and deliver them personally to the funeral venue, home, or other location as agreed. You can trust that every detail will be handled with sensitivity and professionalism.

5. OPTIONAL COLLECTION AFTER THE SERVICE

If needed, I can return after the service to collect any floral pieces. This can be especially helpful if you don't want to worry about logistics on the day — just let me know if you'd like this included.

Our Eco Approach

At ArtiBelle Florist, we believe that saying goodbye can also honour the earth. That's why we take an eco-conscious approach to our floral tributes:

- Sustainable Materials – We avoid floral foam and unnecessary plastics, using natural, biodegradable bases wherever possible.
- Seasonal & Local Blooms – By sourcing locally and seasonally, we reduce our carbon footprint while ensuring fresh, beautiful arrangements.
- Thoughtful Aftercare – With our optional collection service, flowers can be repurposed, composted, or returned, giving them a gentle second life.

This approach means our funeral flowers are not only personal and heartfelt, but also kinder to the environment—offering a tribute that reflects love, respect, and responsibility for the world we leave behind.

Struggling with what flowers to choose?

Selecting flowers for a funeral can feel overwhelming, especially when you want them to truly reflect the person you're remembering. There is no right or wrong choice... what matters most is that the flowers feel meaningful to you.

You may wish to think about:

- Favourite Flowers or Colours – Did your loved one have a bloom or shade they adored?
- Personal Symbolism – Roses for love, lilies for peace, or wildflowers for a natural spirit.
- Style & Setting – From classic sprays and wreaths to simple, elegant posies or personalised designs.
- Tone of Tribute – Whether you prefer something traditional, modern, or unique, flowers can gently reflect their life and character.

Remember, even the simplest arrangement can be a heartfelt tribute.

I offer a free consultation to guide you through the options and help create flowers that feel right for you and your family.
