ARTI BELLE

FLORISTRY CREATIONS

Hi, I'm **Zoe**... the florist behind ArtiBelle.

Firstly, I'm so sorry for your loss. I understand this can be a difficult and emotional time, and choosing flowers may feel like just another decision to make.

Flowers can be a gentle and meaningful way to honour someone's life... reflecting their personality, their story, and the love that surrounds them.

At ArtiBelle, I take a calm and thoughtful approach, creating funeral flowers that feel personal, natural, and full of care.

Whether you already have something in mind or need a little guidance, I'm here to support you in whatever way feels right.

HOW IT WORKS

I’ve designed the process to feel as simple and supportive as possible, allowing you to choose how much or how little you’d like to be involved.

1. Make an Enquiry

Start by filling out the enquiry form on my website with a few key details such as the date, location, and any initial thoughts.

2. We'll Connect in a Way That Suits You

Once I receive your enquiry, I’ll get in touch and you can choose how you’d like to communicate:

- A phone call
- An online consultation
- Or simply via email

There’s no right or wrong - I’ll work in whatever way feels most comfortable for you.

3. Your Quote

After our conversation, I’ll send you a clear and simple quote based on what we’ve discussed.

4. Flower Preparation & Delivery

Your flowers will be created with care and attention, then personally delivered to the funeral venue, home, or location agreed.

You can trust everything will be handled with sensitivity and professionalism.

5. Optional Collection

If helpful, I can return after the service to collect floral pieces, so you don’t need to worry about anything on the day.

CHOOSING YOUR FLOWERS

Choosing funeral flowers can feel overwhelming, especially when you want them to truly reflect the person you're remembering.

There's no right or wrong choice...what matters most is that the flowers feel meaningful to you.

You might like to think about:

- **Favourite flowers or colours**
  - A bloom or shade they loved
- **Personal meaning**
  - Roses for love, lilies for peace, or wildflowers for a natural spirit
- **Style**
  - From traditional wreaths and sprays to softer, more natural designs
- **Overall feel**
  - Whether you'd like something classic, modern, or completely unique

Even the simplest arrangement can be a beautiful and heartfelt tribute.

OUR FLOWERS

I create bespoke floral tributes designed with care, sensitivity, and attention to detail.

These include:

- Coffin sprays
- Wreaths and hearts
- Sheaves and posies
- Sympathy bouquets
- Personalised and bespoke designs

Whether you prefer something traditional or more natural and relaxed, each piece is created to honour your loved one in a meaningful way.

A THOUGHTFUL APPROACH

At ArtiBelle, I believe that even in saying goodbye, we can be mindful of the world around us.

Wherever possible, I:

- Use natural, biodegradable materials
- Do not use floral foam and unnecessary plastics
- Work with seasonal and locally sourced flowers
- Offer optional collection so flowers can be repurposed or composted

This means your flowers are not only personal and heartfelt, but also kinder to the environment.
