

ARTI & BELLE
FLORISTRY CREATIONS

Hi, I'm Zoe, the florist (and romantic!) behind ArtiBelle, and I'm so happy you're here.

Planning your wedding is such a special time... full of excitement, emotion, and lots of little decisions. Flowers might feel like just one part of it all, but they truly help shape the atmosphere of your day... the feeling, the setting, and those beautiful details that stay with you long after.

At ArtiBelle, I take a relaxed, personal approach to wedding floristry. Whether your style is wild and whimsical, soft and romantic, or something more timeless, I'll work closely with you to create flowers that feel completely you.

No two weddings are ever the same... and that's exactly how I treat them.

Sustainability is also really important to me. Wherever possible, I use seasonal British-grown flowers, support local growers, and make thoughtful choices to reduce waste... so your flowers are kind to the planet as well as beautiful.

This brochure is just a starting point and a little glimpse into what's possible. If something sparks your interest, I'd love to chat and hear all about your plans.

Let's make something beautiful together

Start by filling out the enquiry form on my website. This gives me a feel for date, venue and the kind of style you're dreaming of.

LET'S CHAT

I'll invite you to a free consultation (either online or in person if you're local). This is a relaxed, no-pressure chat where we can talk through your ideas, colours and overall vision.

Don't worry if you're not sure yet, we'll figure it out together.

YOUR BESPOKE PROPOSAL

After our chat, I'll create a personalised quote with ideas and itemised pricing based on everything we discussed.

To book, a 25% deposit secures your date in my diary.

Payment Schedule:

- 25% Deposit
- 45% due 6 months before

PLANNING ALONG THE WAY

We'll stay in touch as your plans come together. I'm always here if you want to tweak ideas, and we can meet at your venue if needed to bring everything to life.

THE FINAL DETAILS

In the lead up to your wedding, I'll send a delivery confirmation and even a little preview of your flowers, so you can get excited about what's to come.

YOUR WEDDING DAY

On the day, I'll be there to carefully set up your flowers and make sure everything looks just right... so you can simply enjoy every moment.

FREQUENTLY ASKED QUESTIONS

Do you have a minimum spend?

No - I don't have a minimum spend. I work with all sizes of weddings, whether you're looking for a simple bouquet or full venue styling.

How many weddings do you take on?

I only book **one wedding per day**, so I can give your flowers my full attention and make sure everything is just right.

Do you only do large weddings?

Not at all... I create flowers for all types and sizes of weddings, from intimate celebrations to larger, full-scale designs.

How will I know what my flowers will look like?

I use a digital design system called *Curate*, which allows me to create visual floral concepts for your wedding. This means you'll be able to see how your flowers will look ahead of the day... giving you confidence that everything feels just right.

Can we make changes along the way?

Absolutely. Your plans can evolve, and I'm always happy to adjust your flowers as things come together.

Do you offer sustainable floristry?

Yes - wherever possible, I use seasonal British-grown flowers and make mindful choices to reduce waste. I also use foam free techniques, to be kinder to planet Earth.

Are you LGBTQ+ Friendly?

Absolutely. Love is love, and I feel truly honoured to create flowers for all couples. Whoever you are and however your day looks, you'll always be welcomed, celebrated, and supported here.

Let's Connect

If you feel like we'd be a good fit and you'd like to chat about your wedding flowers, I'd love to hear from you.

You can get started by filling out the enquiry form on my website, and we'll take it from there.

A little note before you go... I'm Zoe, the florist behind ArtiBelle.

The name ArtiBelle actually comes from my children, Arthur and Isabelle, which makes this business incredibly personal to me.

I've always loved anything creative, and I find so much inspiration in nature... early morning sunrises, walks in the Lakes, and the changing seasons all play a part in the way I design.

When you choose to work with me, you're not just booking a florist... you're working with someone who genuinely cares about your day and wants to create something that feels completely you.

I can't wait to hear all about your plans
